Dear Sir,

With due respect and humble honour, I the undersigned just wanted to send a thanks note for all your help which I have encountered during my mother's (Smt. HEMAPRABHA SHARMA, 62 Yrs. BED NO.16, WARD NO.12) treatment days at Mumbai under your kind supervision. I request you to spare some valuable minutes from your busy schedule for having a look on this note.

After many days of her sufferings arisen out of OA of both knees, she miraculously recovered to a far better stage and succeeded to move independently without any support after her successful surgery (TKR of Left Knee) done by you at JRH, W.Rly. Central Hospital, Mumbai on 19<sup>th</sup> April'2010 (She was admitted on 24<sup>th</sup> March'2010 and discharged on 11<sup>th</sup> May'2010). You could remember that due to unavoidable family inconveniences, I was unable to stay at a stretch at Mumbai during the entire days of treatment keeping my mother alone there. **You will be happy to know that now I became the father of a Girl Child, who is now only 5 (Five) months old.** So, I could not attend there at Mumbai for my mother's routine post surgery check up which was in the month of July'10 for which I extremely sorry and those days I only left everything on the hands of Almighty. And after so many days of anxiety, I regain my lost faith and energy seeing the fast recovery of my mother. I thank you again and again to show your kind help and unique ways to revive a patient from a long distant place Guwahati, ASSAM at an early date.

Thanking you,

Your's Faithfully

(SUDEEP KR. KRISHNATREYA)
