Dear Dr. Jain,

I am very please to write this letter. I'm Ajay deshmkh . I am currently in California states. I am working with the company called as Majesco Software Inc. The reason to write you this letter is because you have helped me a lot in my career. Last year on 1st, Sept, you have done a surgery on my left hand. If I had contacted u my case would have been in a serious condition. So u have operated me and I rejoined my job within 20- days. I am really greatful to you.

I pray god that u may live long. Whenever I will come back to India I will see you.

Regards,
Ajay Deshmukh,
